Dear Mr Rogers

Re: 3no replacement uPVC casement windows

Thank you for asking our company to produce an estimate for the replacement windows in your property with products from our uPVC range Platinum Range. We have produced this estimate based on our Surveyors visit to your property and are pleased to offer to supply and install the following double glazed, made to measure uPVC windows. (Please take time to read the product specification sheet and check the 'proposed design' sheet enclosed, especially if comparing to another quote).

- ✓ Our Platinum Range of window frames and doorframes come with our 10-year guarantee when installed by our CPS (Competent Person Scheme) qualified installation teams. This guarantee is insurance backed and is under-written by (Quality Assured National Warranties) The Guarantee Protection Insurance Company Ltd.
- ✓ Dartmoor Windows & Conservatories are proud members of the FENSA scheme and as such are self-certifying and the installation shall be registered online and certificated.
- ✓ Dartmoor Windows & Conservatories are proud members of the Governments Trust Mark scheme which was set up to protect you the consumer in these unsure times to give peace of mind dealing with our company (visit - www.trustmark.org.uk).

Total cost to supply & install products as shown – please see over for information.

Yours sincerely

Michelle Tolley
